(Conditions of Appointment and Service) Regulations, 1952 namely:—

The following shall be inserted as new Regulation 15A namely:—

**"15-A. Action against conductors for committing shortages.**

- (1) A conductor who commits shortage of more than Rs. 5 in a day or more than Rs. 15 in aggregate during a month shall be put off duty until he deposits the amount of shortage. In the event of his depositing the shortage, the "off duty" period shall be treated as leave without pay. If the conductor concerned does not deposit the amount of shortage due within 48 hours of the intimation of the shortage to him, he shall also be liable to such disciplinary action as may be deemed necessary by the General Manager. A conductor who commits shortages repeatedly, shall also be liable to disciplinary action including termination of service, at the discretion of the General Manager.
- (2) The permissible aggregate amount of shortage in a month can be increased from Rs. 15 to Rs. 20 at the discretion of the Traffic Superintendent under special circumstances if the Traffic Superintendent is satisfied that the circumstances justify this increase. Where this increase is sanctioned by the Traffic Superintendent, the conductor concerned will become liable to action as indicated in sub-clause (1) above only when the shortage committed by him exceeds Rs. 5 in a day or Rs. 20 in aggregate during the month.
- (3) In case a conductor does not deposit the amount of shortage committed by him, it will be recovered from his salary on the next pay day or from his Security Deposit, if he is discharged from service or he quits service".
